

On Stage Studios Fee Policy & Class Fees 2016

Fees are \$7.50 - \$10 per class per week payable by term (except private singing classes). Accounts will be issued the first week of each term and posted (or handed to students). Any student who enrolls during the term will receive their invoice within one week of enrolment.

Discounts apply for 3 or more classes attended (ballet, jazz, tap only) and there are family discounts for two or more students attending classes. See class fee chart below.

Fees are to be paid for in advance and are non-refundable. All accounts must be finalised within 14 days of billing to avoid extra charges. Anyone with outstanding balances shall not be permitted to perform at the end of year Concert.

Private lesson cancellations must be notified at least 24hrs prior to the lesson (by phone) otherwise you will be charged for the class.

It is important to note overhead costs continue regardless of how many students attend classes, therefore there can be no refunds for classes not attended. Please be reminded that only with the fulfillment of financial commitments by everyone can On Stage Studios continue to provide first class tuition for all students.
